

User Interface

Registration Form

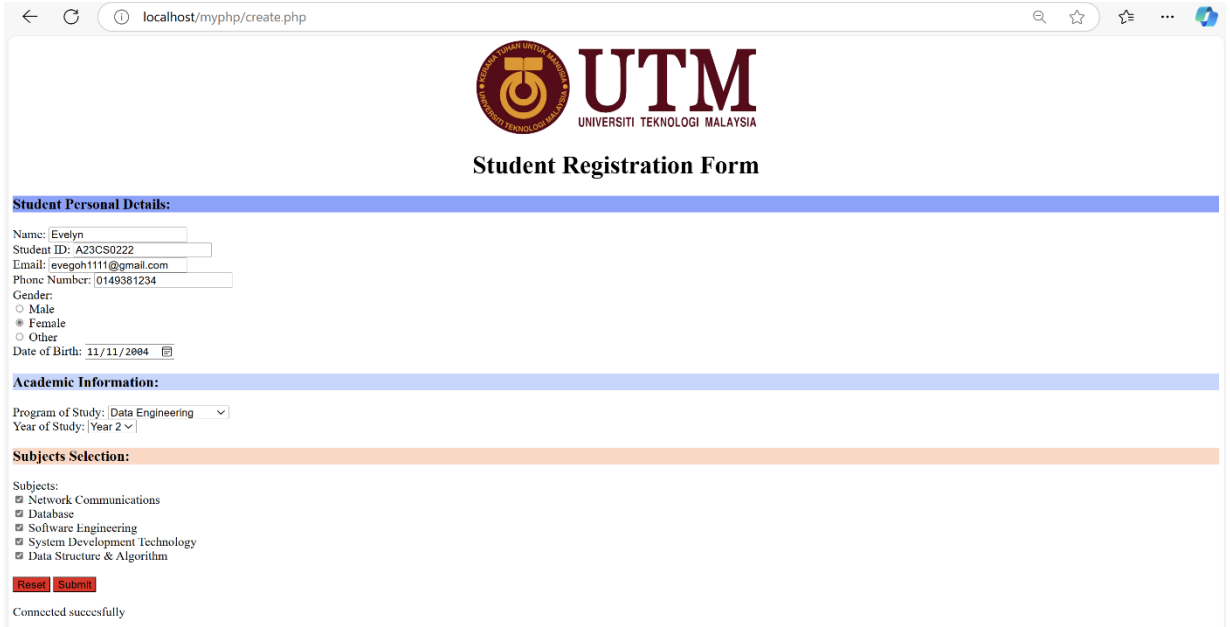

1.

The screenshot shows a web browser window with the URL `localhost/myphp/create.php`. The page features the UTM logo and the text "UNIVERSITI TEKNOLOGI MALAYSIA" and "Student Registration Form". The form is divided into three sections: "Student Personal Details:", "Academic Information:", and "Subjects Selection:". The "Student Personal Details:" section includes input fields for Name, Student ID, Email, and Phone Number, a radio button for Gender (Male, Female, Other), and a date picker for Date of Birth. The "Academic Information:" section includes a dropdown for Program of Study (Data Engineering) and a dropdown for Year of Study (Year 1). The "Subjects Selection:" section includes a list of subjects with checkboxes: Network Communications, Database, Software Engineering, System Development Technology, and Data Structure & Algorithm. There are "Reset" and "Submit" buttons at the bottom of the form. A status message "Connected successfully" is displayed at the bottom.

Picture shown above is the interface for student registration form.

2.

The screenshot shows the same web browser window as the previous one, but with sample data entered into the form. The "Student Personal Details:" section shows Name: Evelyn, Student ID: A23CS0222, Email: evegeh1111@gmail.com, Phone Number: 0149381234, Gender: Female (selected), and Date of Birth: 11/11/2004. The "Academic Information:" section shows Program of Study: Data Engineering and Year of Study: Year 2. The "Subjects Selection:" section shows all subjects selected: Network Communications, Database, Software Engineering, System Development Technology, and Data Structure & Algorithm. The "Reset" and "Submit" buttons are still present. The status message "Connected successfully" is displayed at the bottom.

Example of filling the form.

3.

Student Registration Form

Student Personal Details:

Name:
 Student ID:
 Email:
 Phone Number:
 Gender:
☐ Male
☐ Female
☐ Other
 Date of Birth: dd/mm/yyyy

Academic Information:

Program of Study: Data Engineering
 Year of Study: Year 1

Subjects Selection:

Subjects:
☐ Network Communications
☐ Database
☐ Software Engineering
☐ System Development Technology
☐ Data Structure & Algorithm
